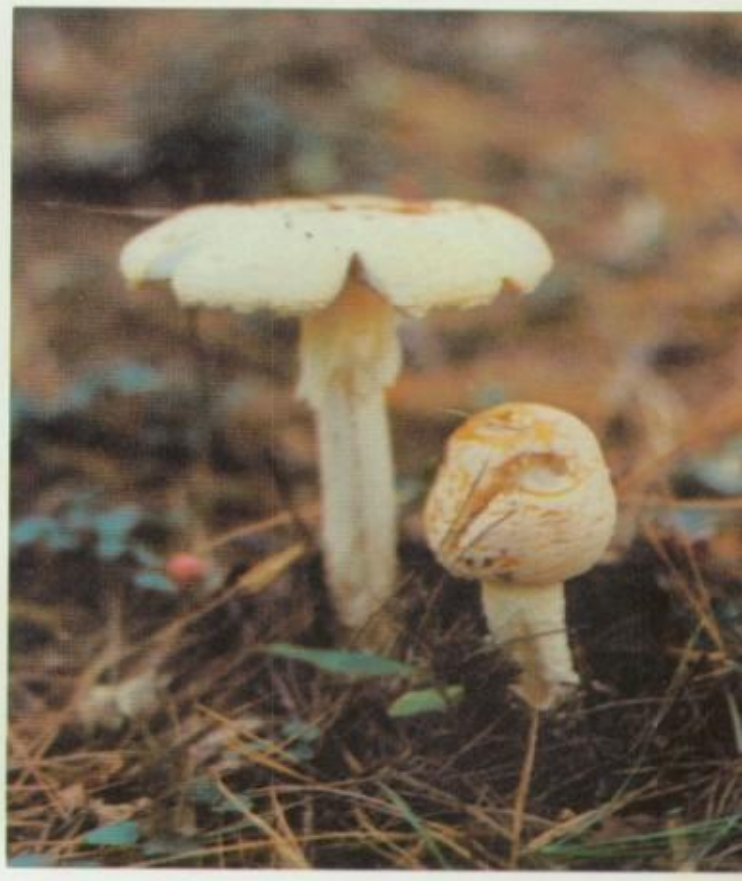
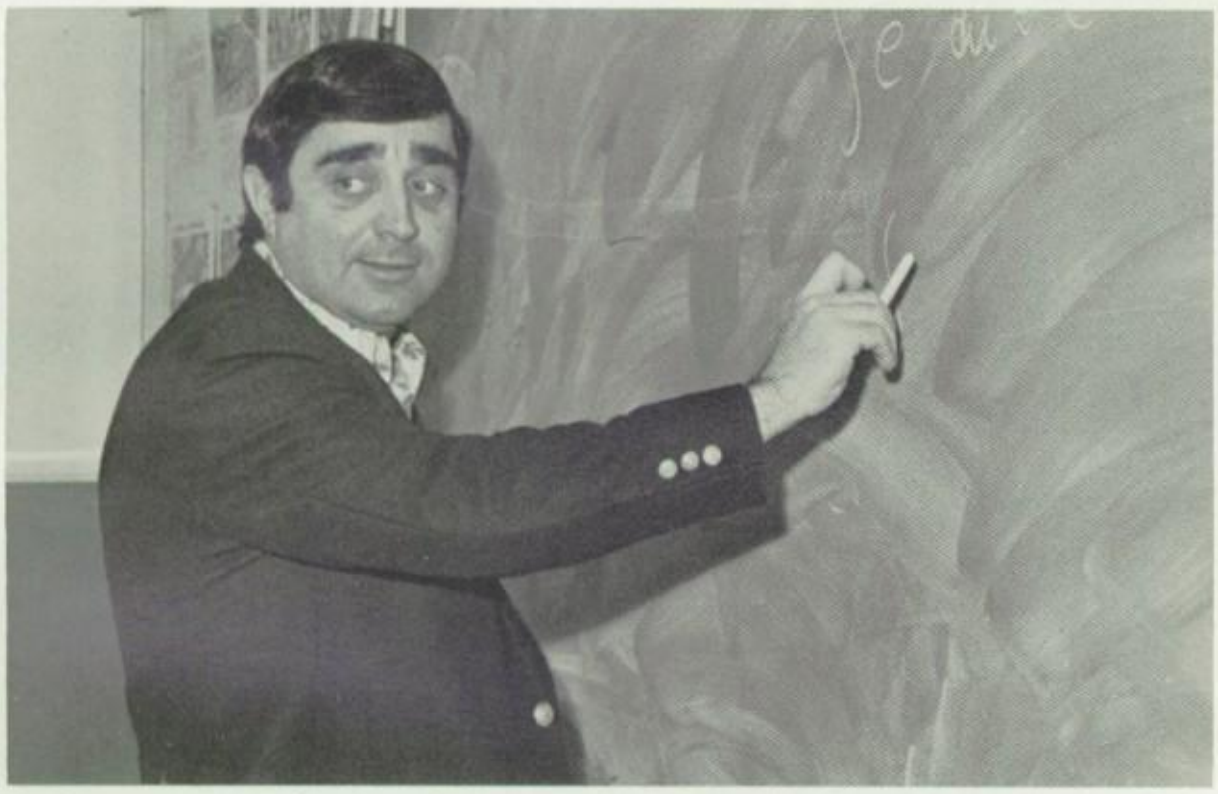
The Sunshine of Our Lives

A new dawn is coming,
rejecting what we've had.
We reach out and up
to a change.
A time to rearrange our lives,
to find out what is right.
It is time to take the flight.
m.a.



I want to say something to
all of you
who have become a part
of the fabric of my life.
The color and texture
which you have brought
into my being
have become a song,
and I want to sing it forever.
There is an energy in us
which makes things happen
when the paths of other
persons
touch ours
and we have to be there
and let it happen.
When the time
of our particular sunset
comes,
our thing, our
accomplishment,
won't really matter a great
deal.
But the clarity and care
with which we have loved
others
will speak with vitality
of the great gift of life
we have been for each
other.

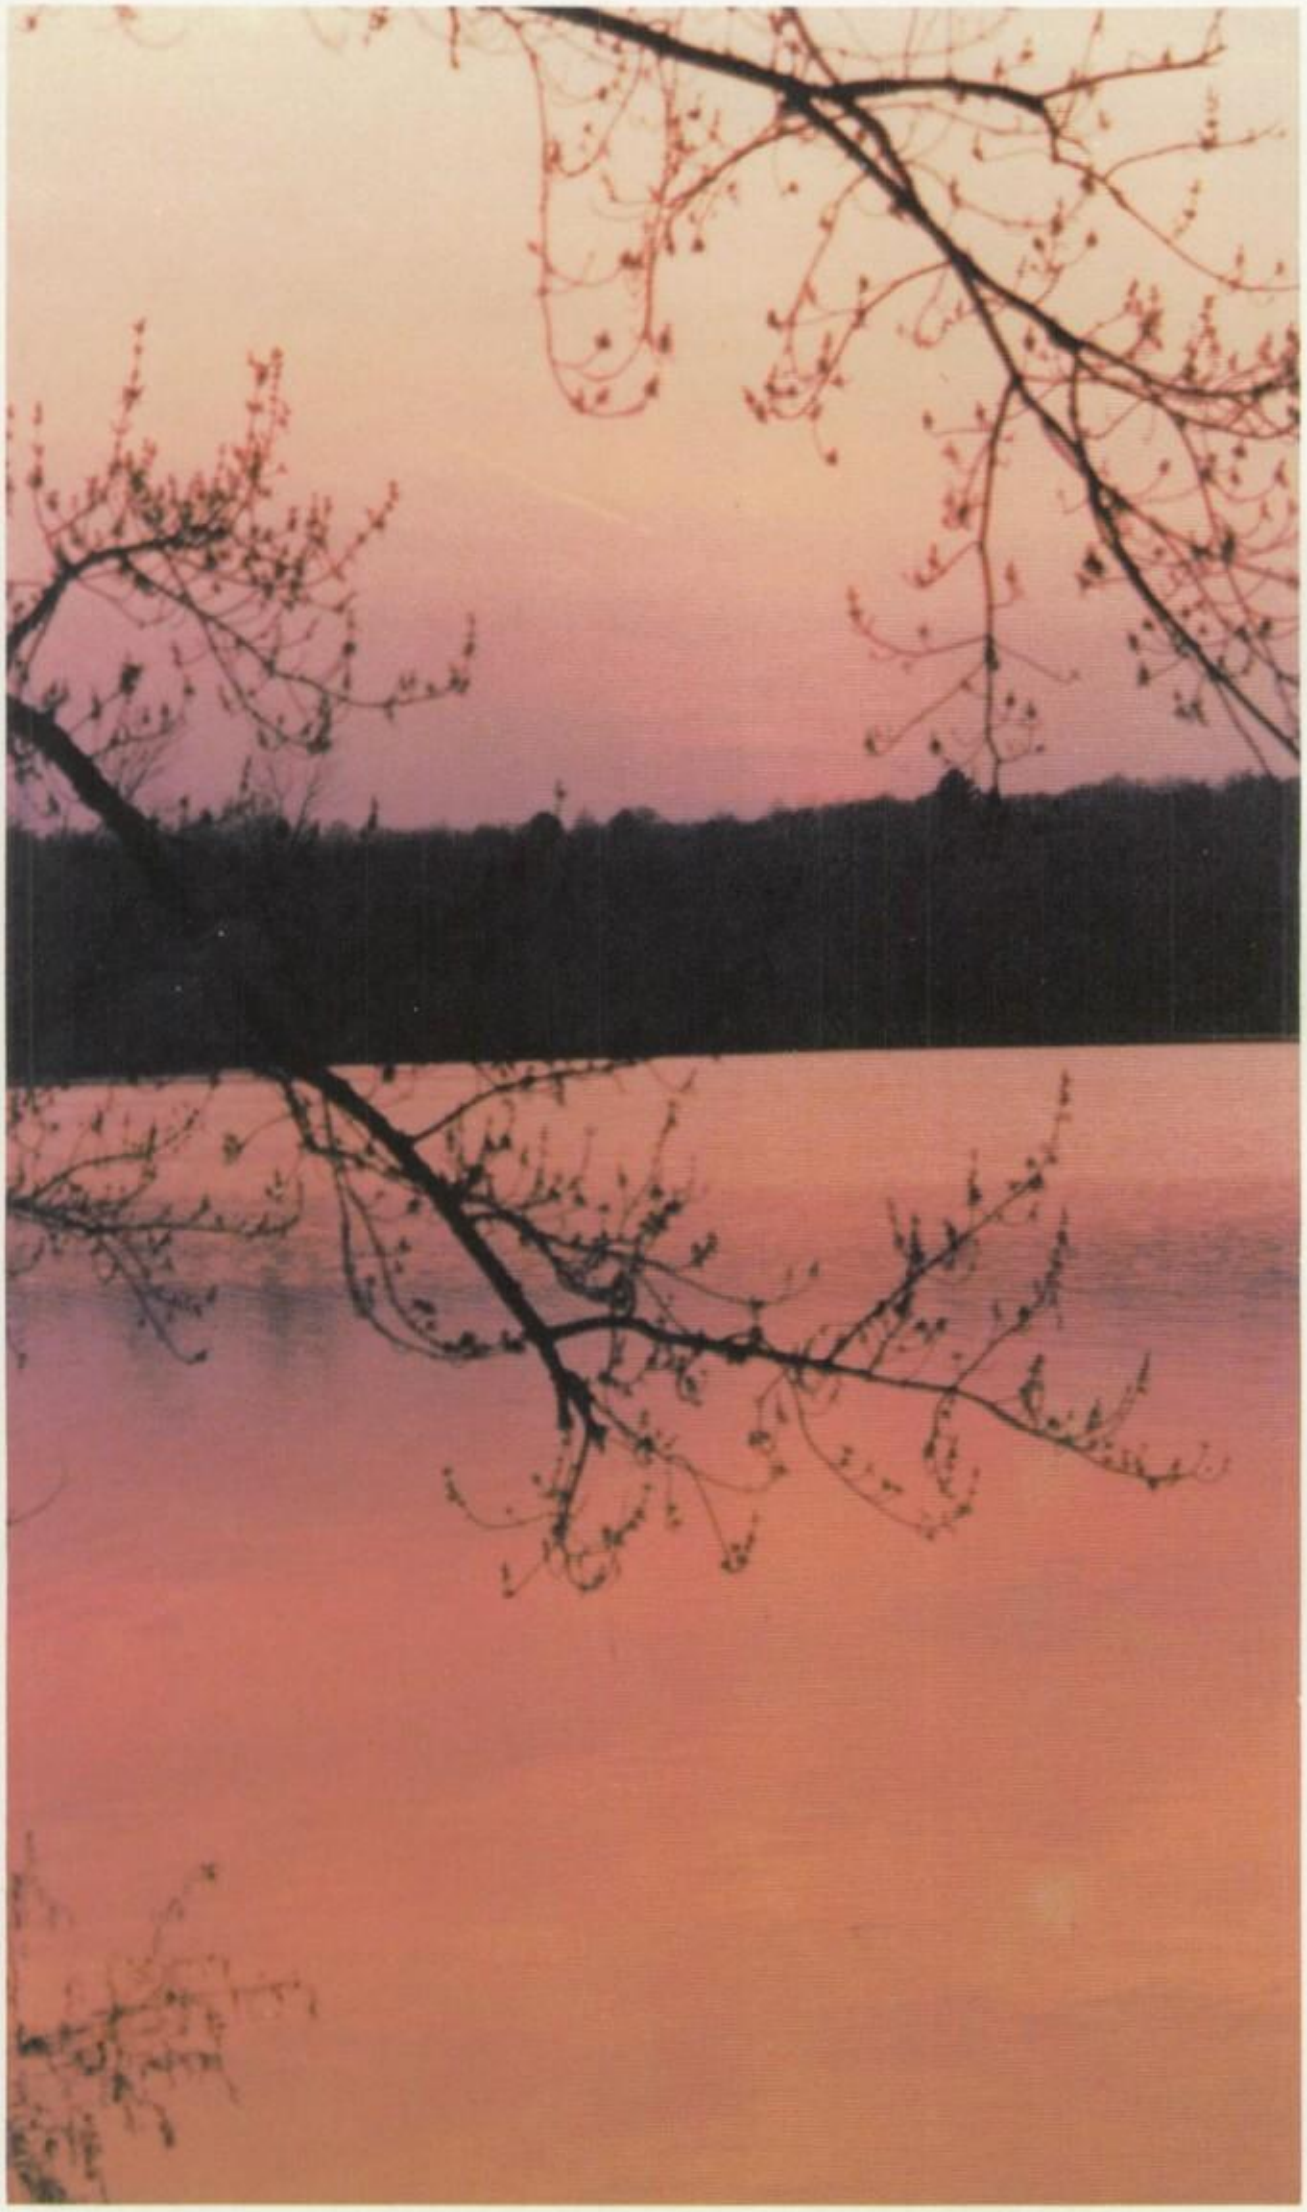
The Class of 1978 Proudly Dedicates
Its Yearbook to . . .
MR. MICHAEL HINCHEY



At this time it is our honor to acknowledge an individual who has helped us along these past four years, both in our education and our lives.

As one who always manages to bring a smile or laugh into our lives, he has brightened up our bleakest days during the toughest of times.

The Class of 1978 takes great pleasure in dedicating the 1978 Echo to Mr. Hinchey.



CHANGES

Once I said something,
We didn't understand.
And now that it is understood
It is no longer mentioned.

Once you did something,
We didn't know why.
But now that we know
It is no longer done.

The subtleness of changes
Has put doubts in our minds
Of what we once were,
Of what we shall become.

And many of those changes
Are too slow for our eyes,
too fast for our minds.
And we know that things are
different,
But we cannot answer why.

Today we are someone
Who is bound for change
tomorrow.
As nature changes the seasons
The world shall change our
minds.

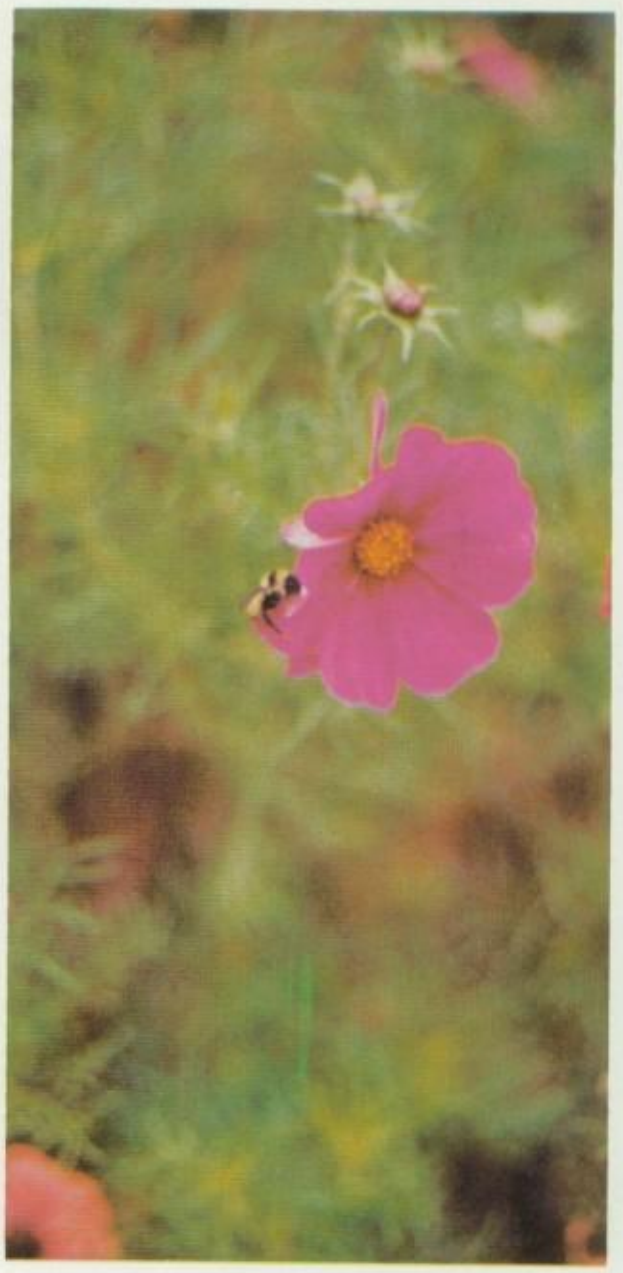
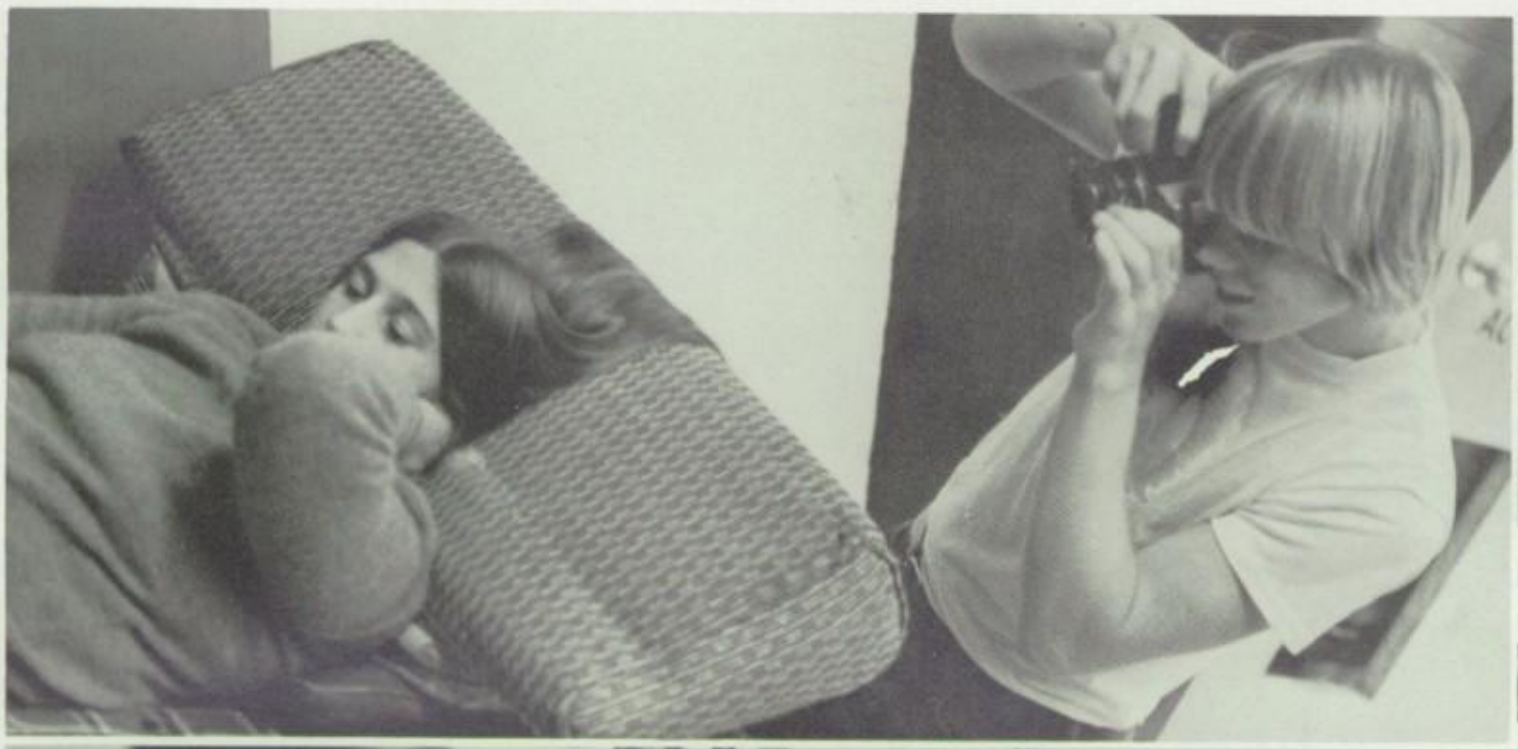
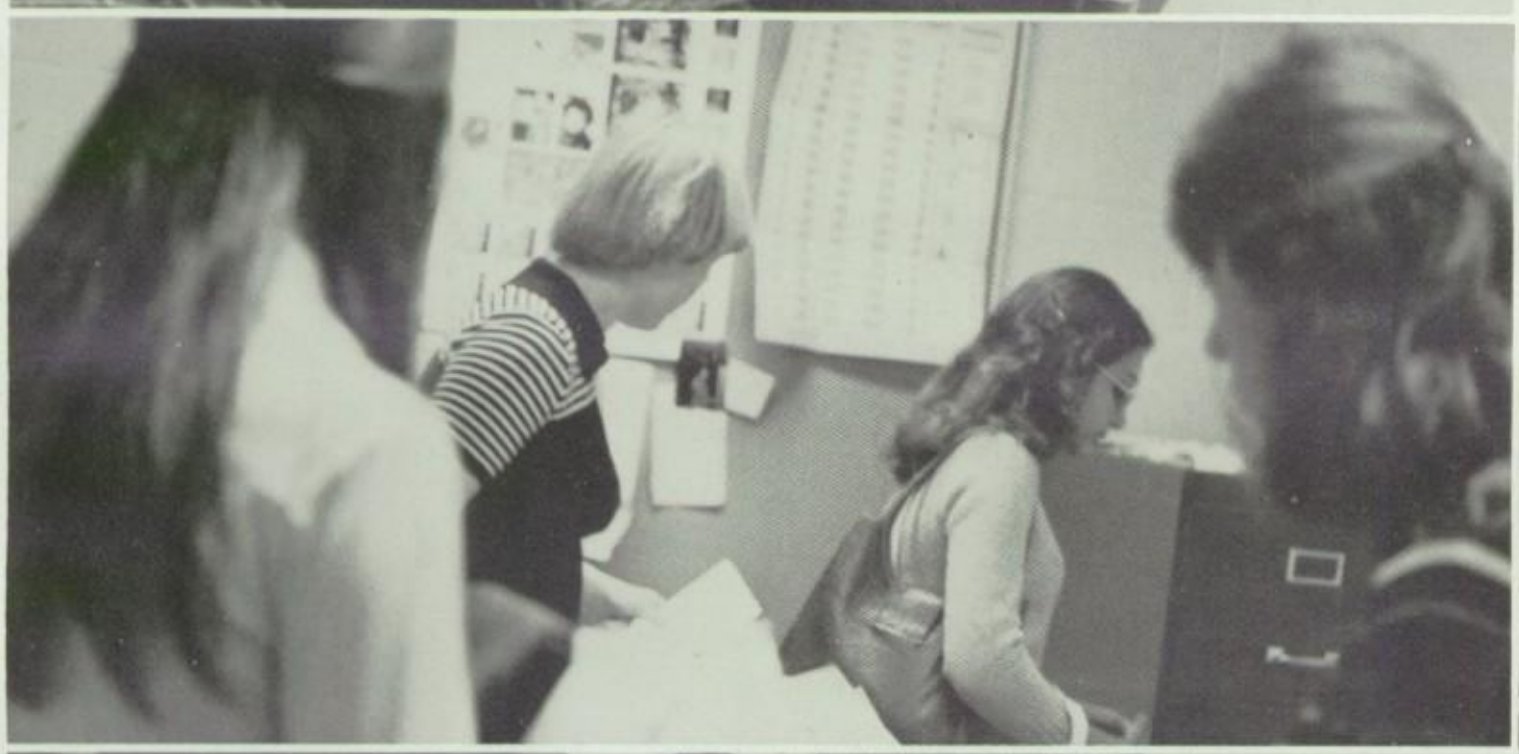
Changes



The Ups and Downs of the Yearbook Staff

In putting this book together we found that it was a lot of fun and a lot of hard work. While making these pages, there were many tears, many laughs, many prayers, and many headaches, but as we look back on it now, we find it was all worth it. We hope you will enjoy our efforts.





ECLIPSE
All that you touch
All that you see
All that you taste
All you feel
All that you love
All that you hate
All you distrust
All that you save
All that you give
All that you deal
All that you buy
beg, borrow or steal
All you create
All you destroy
All that you do
All that you say
All that you eat
everyone you meet
All that you slight
everyone you fight
All that is now
All that is gone
All that's to come
and everything under the sun is in tune
but the sun is eclipsed by the moon.

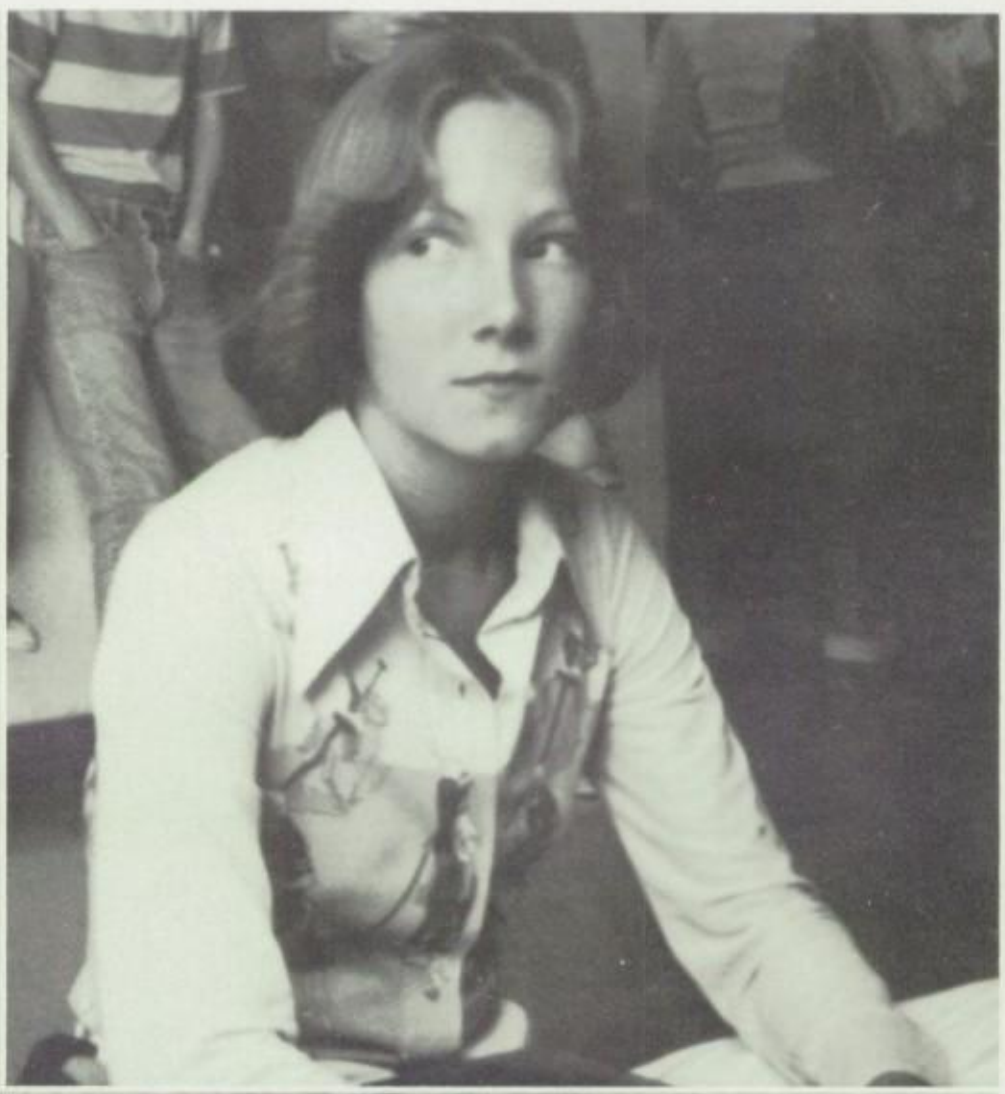
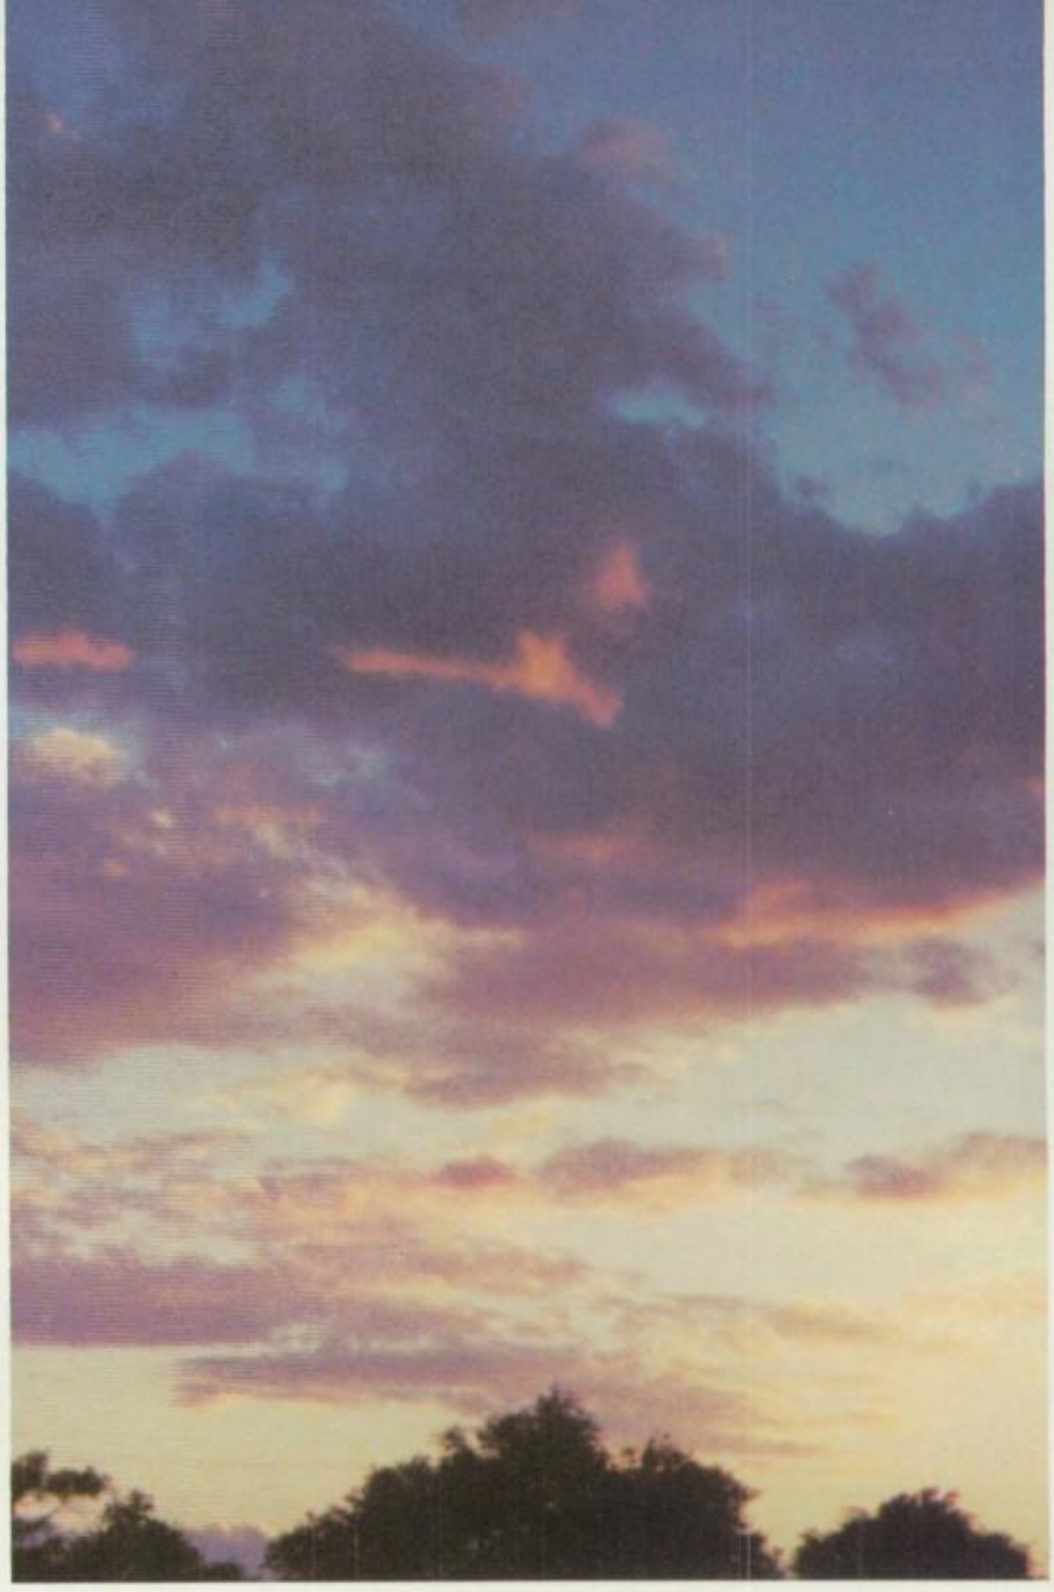
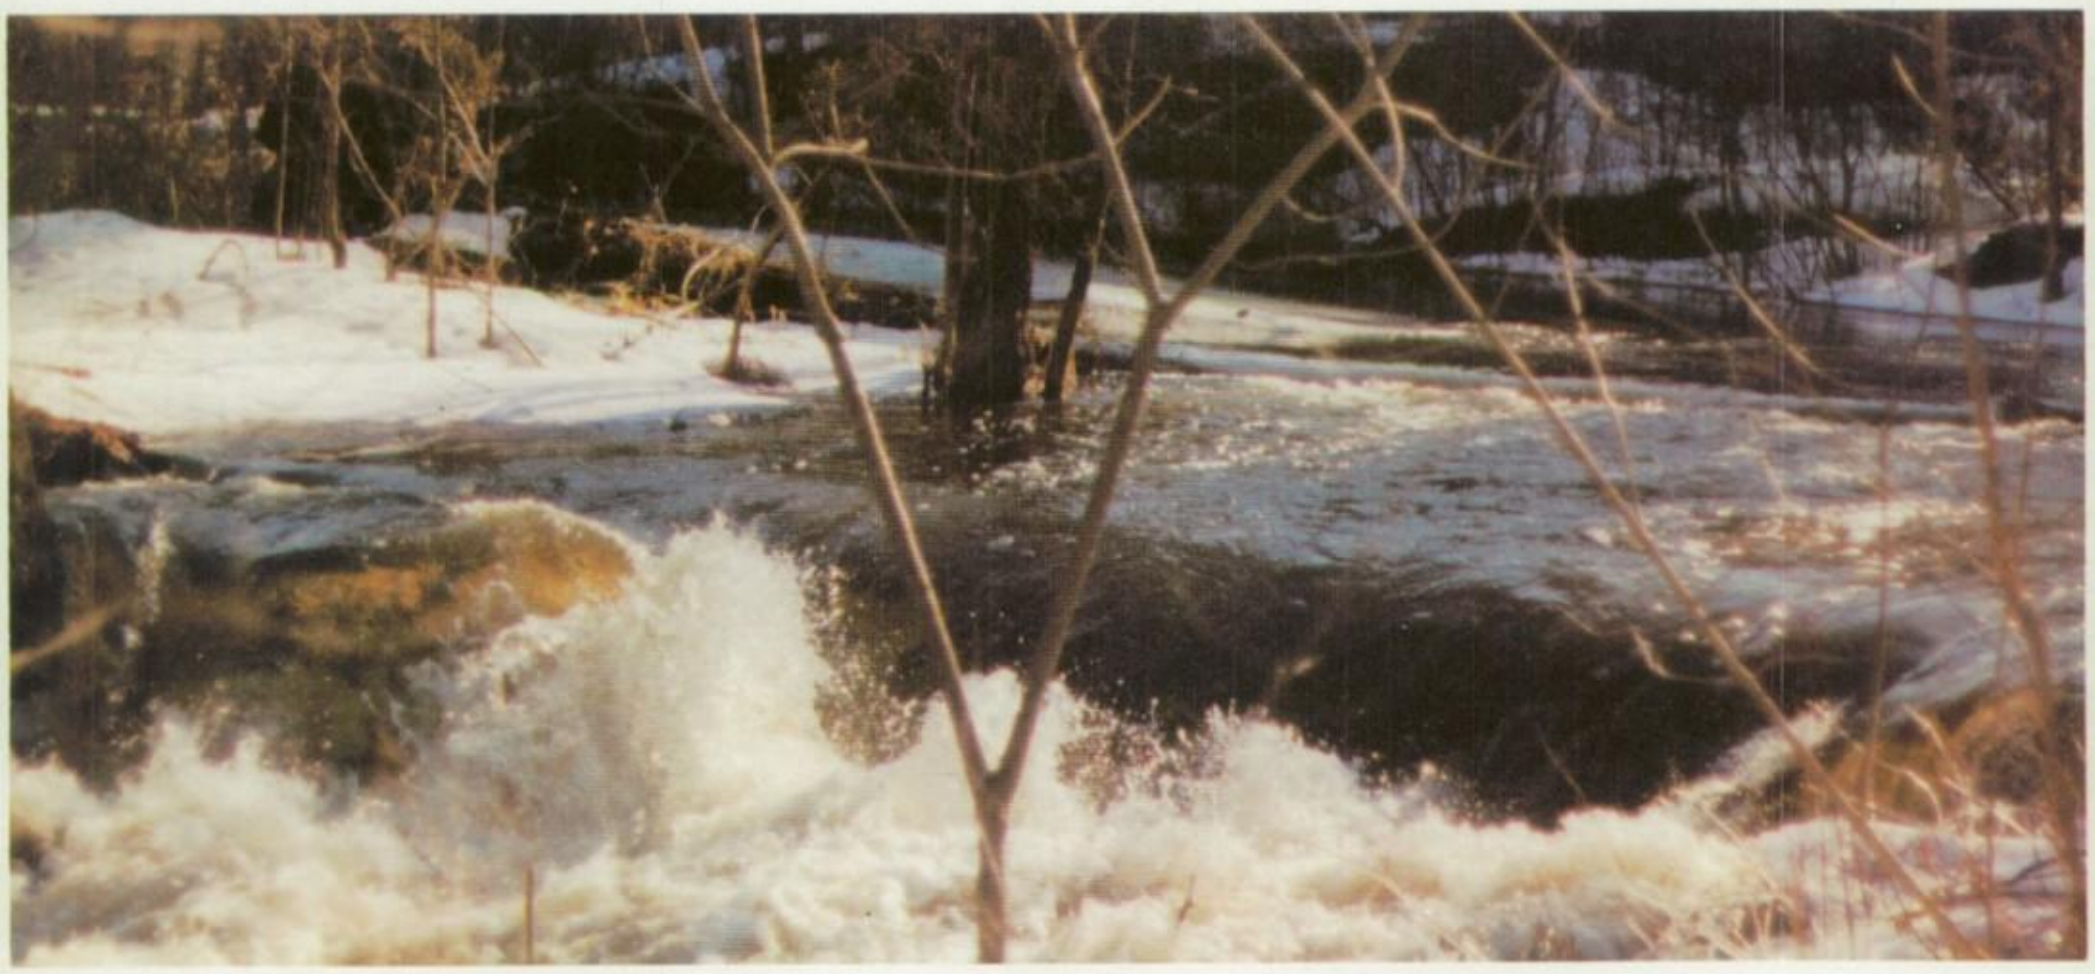
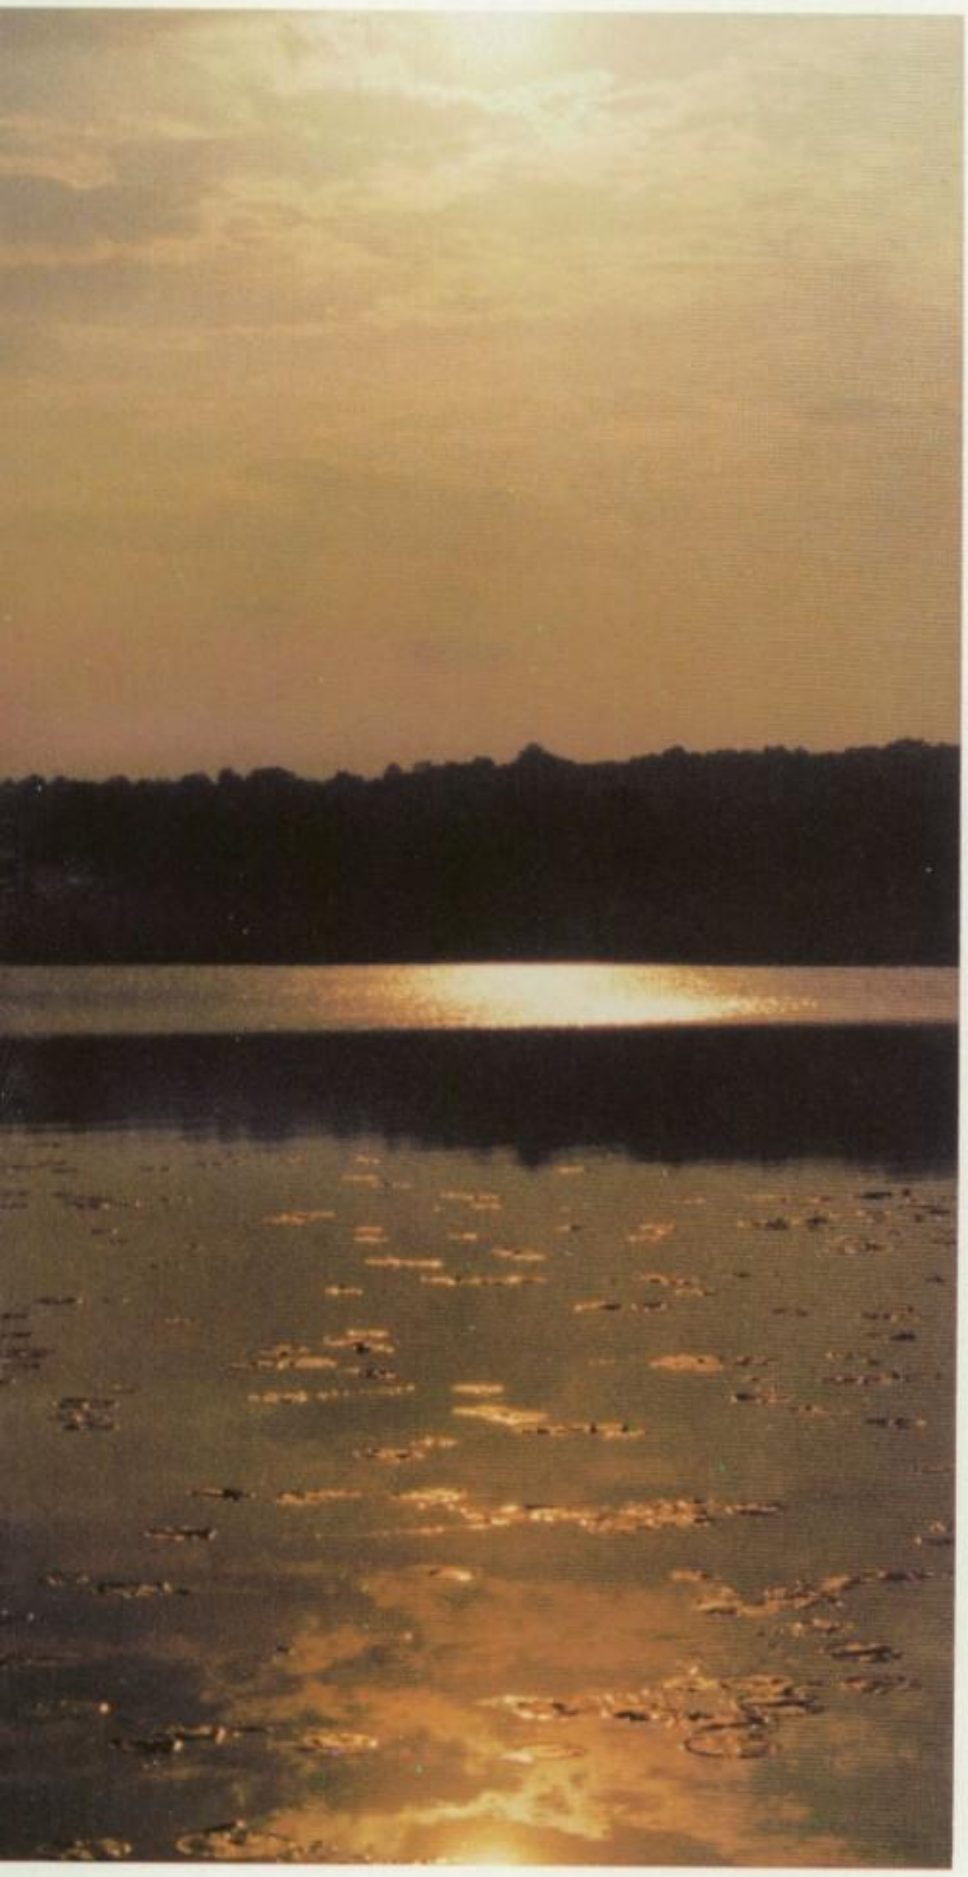
FACES









Someday we shall look back on life
And wonder where it all went so quickly.
Someday we shall look back on dreams
And wonder where they all went so silently.
Someday we shall look back on old friends
And wonder why they all left so mysteriously.
The day to day experience of life shall be yours,
And it will only be what you make of it.
For what you see today will soon be
what you saw yesterday.
There is a texture to living today.
Find that texture and make the best of it,
For the world will be yours,
and all you make of it.

1978 - Highland has finally established its first chapter of the American Field Service with its first student Martin Allman. Martin, now a Senior in Highland, is from England and plays an active part in the Senior Class.

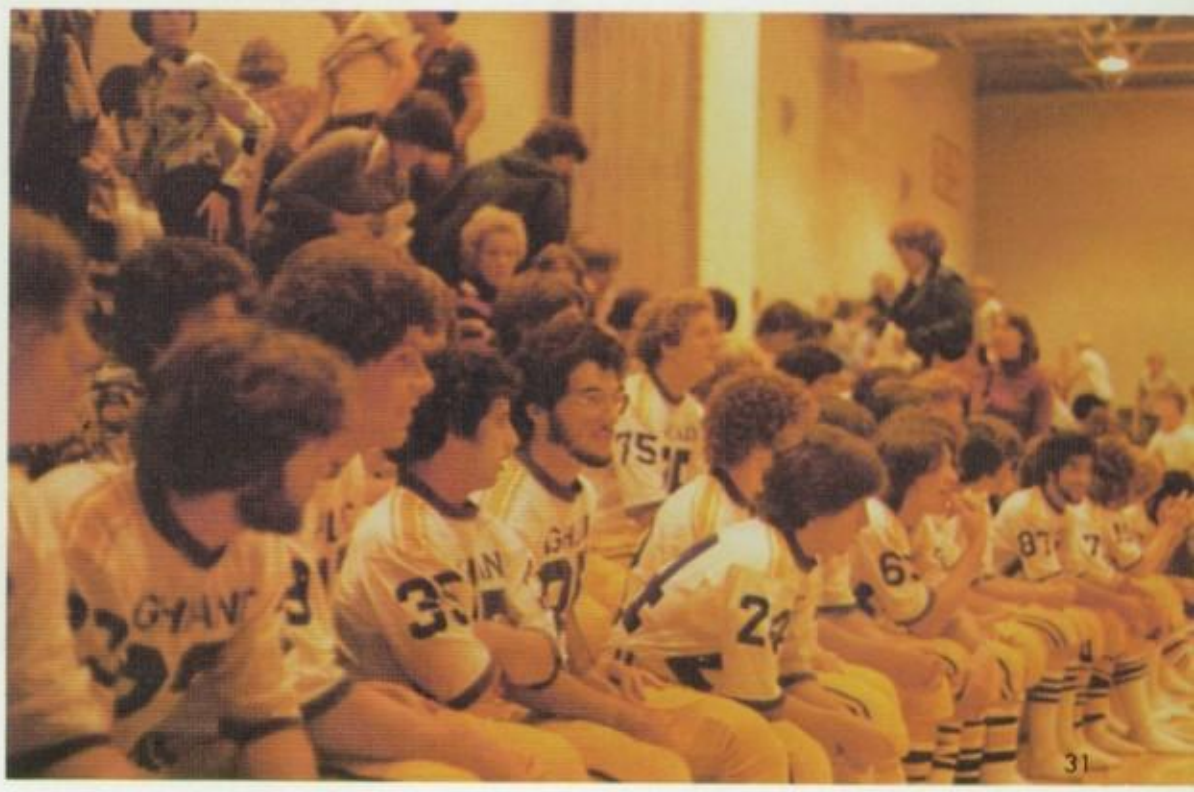
Hopefully in the future, Highland students will be able to go to other countries for a year. Also, other students from different countries will be able to come to Highland. This is a memorable event for all of Highland and should be continued.

SENIORS . . .

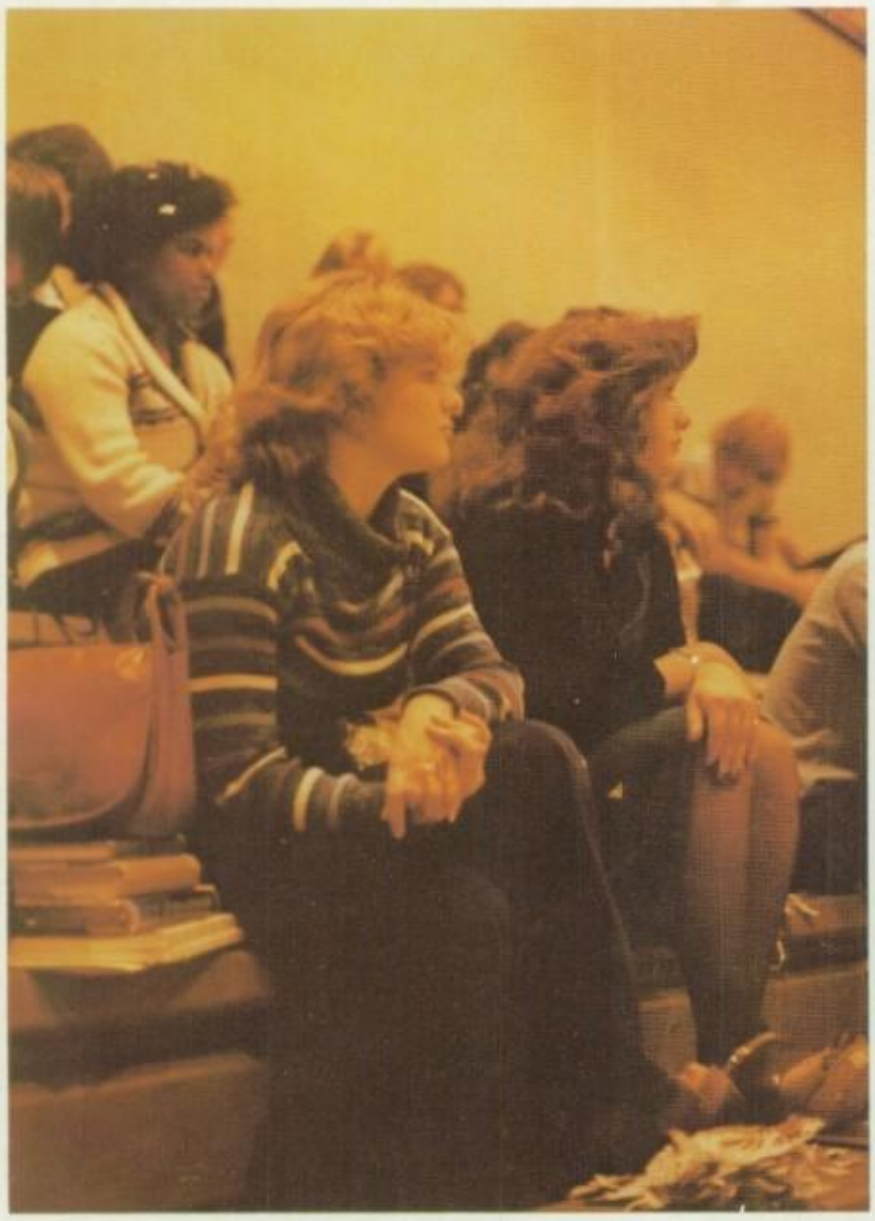
. . . will go to the extreme to not have their picture taken.

. . . sometimes do strange things.

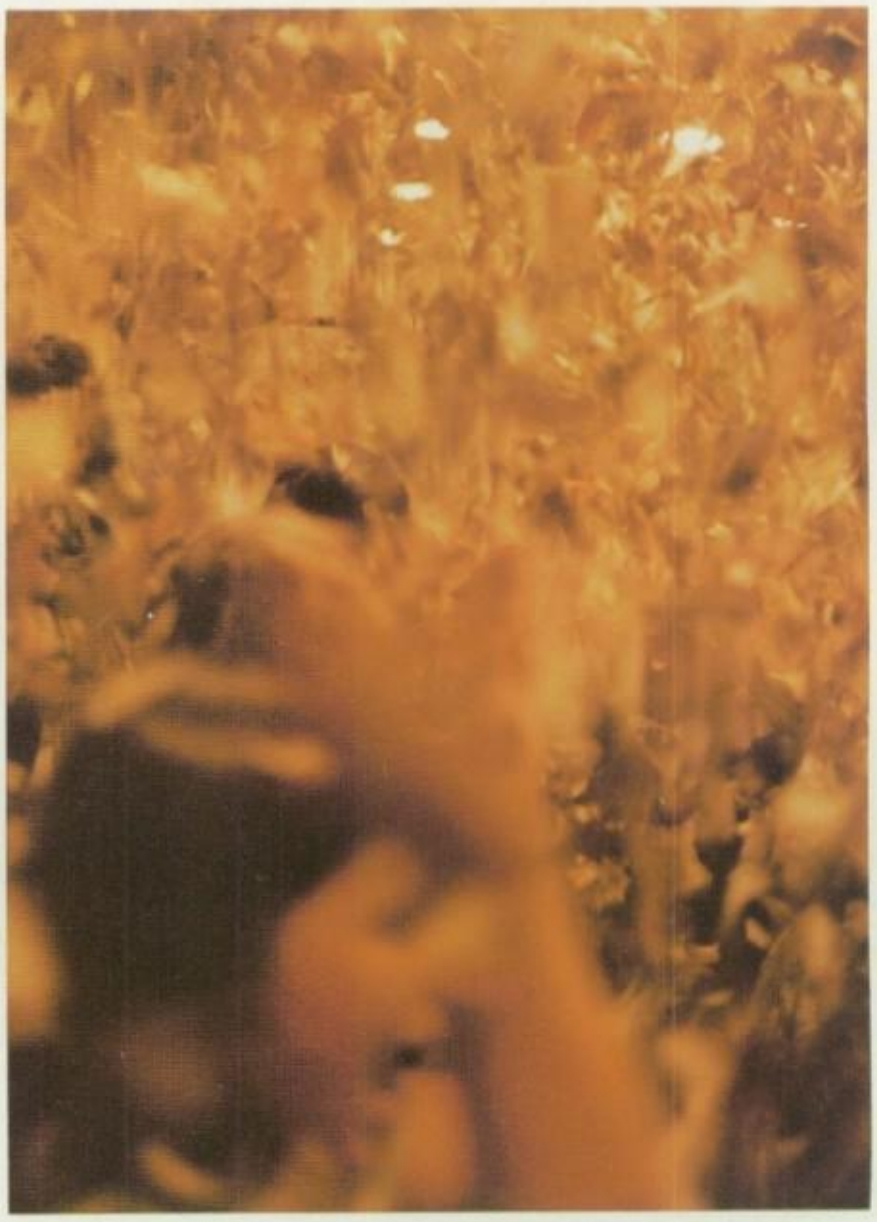
. . . pretend to study.



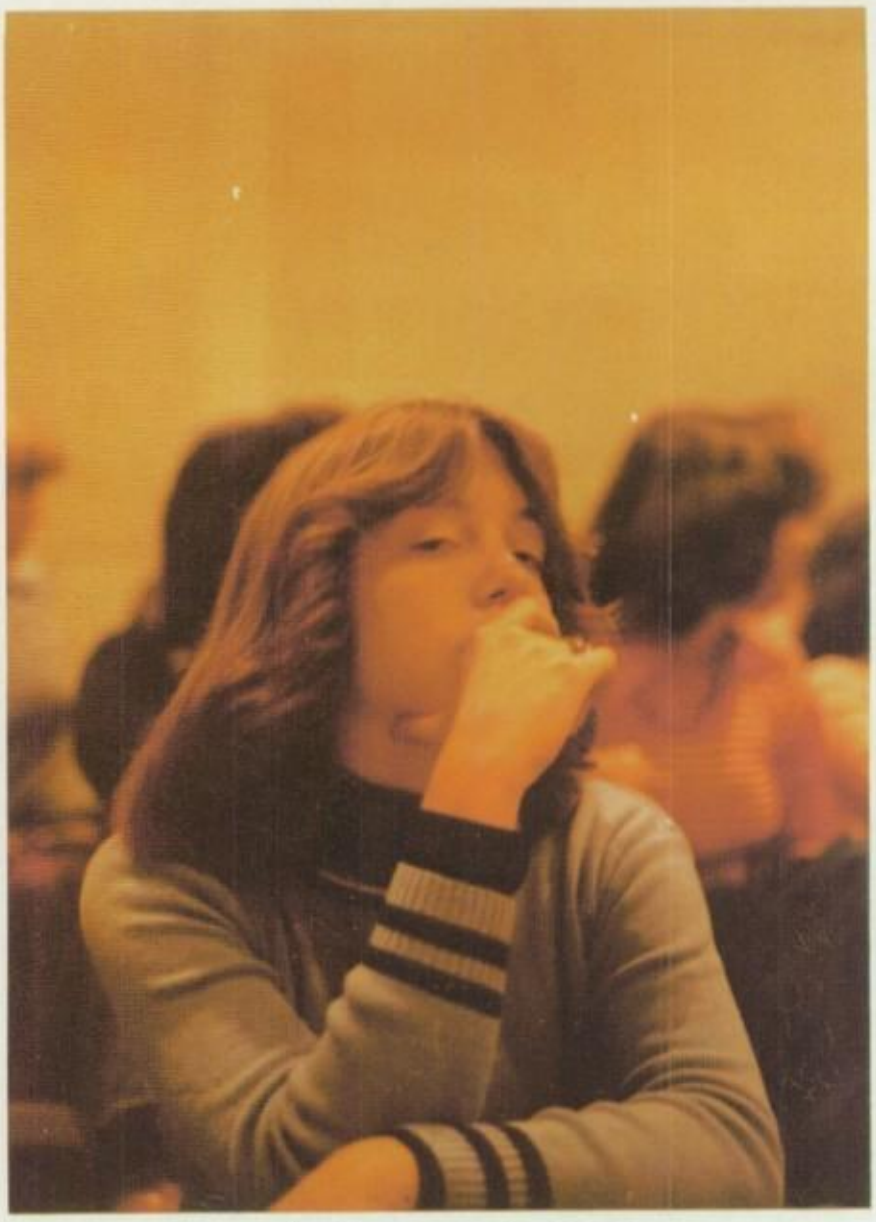
. . . have their own macho club.



. . . have a split personality



. . . always have a surprise in hand



. . . look down on underclassmen

Practice, work and sacrifice — dedication most of all,

THEY MADE IT!

The girls' volleyball team celebrated its third year of existence by playing in the UCAL sectionals and finishing in third place. This is a major step for the Highland girls' sports program, which has been steadily advancing over the last three years.

The '77 team practiced long hours to improve their play and won-loss record. Their efforts were rewarded and gave them great hopes for next year.

HIGHLAND WINS DIVISION 1!

The 1977-78 Big Blue hoop season was, to say the least, a thriller. The team started slow in a season they dedicated to the late Coach Atkins. But under the direction of 2nd year coach Charles Busick, the Blue did it all. Highland won all eight of its close games this season, playing their best in the last few minutes of each game. Winning 9 of their last 10 ball games, the Blue captured the division crown with a 13-3 record. Three-year starter Jim Delmar led a cast of eight seniors for Highland. A fine group of Juniors carry the hopes for next season. Congratulations to our Blue hoop team and best of luck next year.

IN MEMORY OF COACH LEM ATKINS

On Saturday morning, Nov. 5, 1977, the Highland Big Blue football team suffered its biggest loss ever.

We all entered the gym to find out that our game would not be played because our coach had passed away early that morning.

Our team lost much more than a coach; we lost someone in whom we could put our trust, and who was always there when he was needed. Win or lose, Coach was always there with us. He always told us, "When we win, Highland wins, when we lose, put the blame on me." This just shows how deeply dedicated he was to our football team.

Coach Atkins is gone, but the things he taught us and our respect and love for him will always remain.

Music Competition

Each year the musicians at Highland High compete between themselves and other schools. In the spring there are solo competitions, where each individual prepares a solo to be performed for a State Judge, who gives the individual a grade. This solo grade determines who is accepted to the area All-State Festival in the Fall, held this year in Marlboro High School. The solo is also a determining factor as to who gets to play in the New York All-State Band. In January the members of the band and chorus prepare another solo for the Ulster County Band. Members are auditioned by teachers from Ulster County and if accepted they get to play in the County Festival held at Ulster County Community College in March.

Each May the band gets prepared for a total band competition. They strive to get a high rating on the music they perform for the judges.

Competition keeps our musicians in top shape and gives them an enjoyable experience they will never forget.

The Washington Club is an organization composed of students in the Highland High School whose ultimate goal is an annual week-long trip to the nation's capital and surrounding historic spots. This year's trip will take place during the month of April, 1978.

Students may join the club at any time during their Freshman, Sophomore, or Junior year. They remain active members through the payment of dues and by participating in the many fund-raising activities which are necessary for financing the trip to the District of Columbia.

A Washington Club member must be an outstanding representative of the school by demonstrating the qualities of dependability, responsibility, good citizenship and cooperation.

The annual trip includes visits and tours of Philadelphia, Mount Vernon, Annapolis and Gettysburg, as well as Washington. The itinerary is expanded and revised each year according to the wishes of the membership and the suggestions of the group from the previous year, and of course, by the financial condition of the club.

All fees are paid for each member including hotel rates, tour fees, guide expenses, meals, bus accommodations and dinner theater arrangements.

BOARD AND FACULTY DISPUTE

Teachers, Board Get Fact Finder's Report

Teachers Hopeful On Contract Settlement

HIGHLAND : Highland teachers had their hopes raised for a contract settlement when the Board requested a special meeting of the negotiators for Wednesday, October 19th.

Though the fact-finder's report is not due until the following week, teachers felt that the results of Wednesday's special meeting, called by the Board, might bring both sides closer to ending the dispute which has existed since June of 1977.

Teachers, Board Stall Again, Strike Mentioned

HIGHLAND (HVN): The Highland Teachers Association (HTA) came close to a strike vote Tuesday after contract negotiations with the Board of Education bogged down Monday night, Association President Gerald Hawkins said Tuesday afternoon.

"The string is out," Hawkins insisted. "If nothing comes of this week's bargaining there may be no school Monday."

However, both sides have agreed to super-conciliation. "We will go to it as soon as possible," said Chief School Officer Donald Baines Tuesday.

As yet, neither the teachers nor the school board has accepted or rejected a fact-finder's report which a Public Employees Relations Board mediator drew up Oct. 22.

In it, the mediator asked the board to accept a 5.8 percent cost-of-living salary increase in a one-year contract for 1977-78 , based on the 1976-77 payroll , including extra-curricular activities.

The teachers wanted a 10 per cent salary raise, and the board asked a freeze on teachers salaries for 1977-78. Both sides favored a multi-year contract, the mediator said.

In a press release Tuesday the teachers said they had not received a "scheduled step increment, even though it was agreed at the end of last year's negotiation session that the step increment would be received by the teachers. As yet, the teachers have not received it, and they have been told time after time that they wouldn't."

week after week,
month after month,
year after year,
for a settlement."

Far away there in the sunshine
are my highest aspirations. I may
not reach them, but I can look up
and see their beauty, believe in them,
and try to follow where they lead.

If you can imagine it
you can achieve it,
If you can dream it
you can become it.

PHYSICS

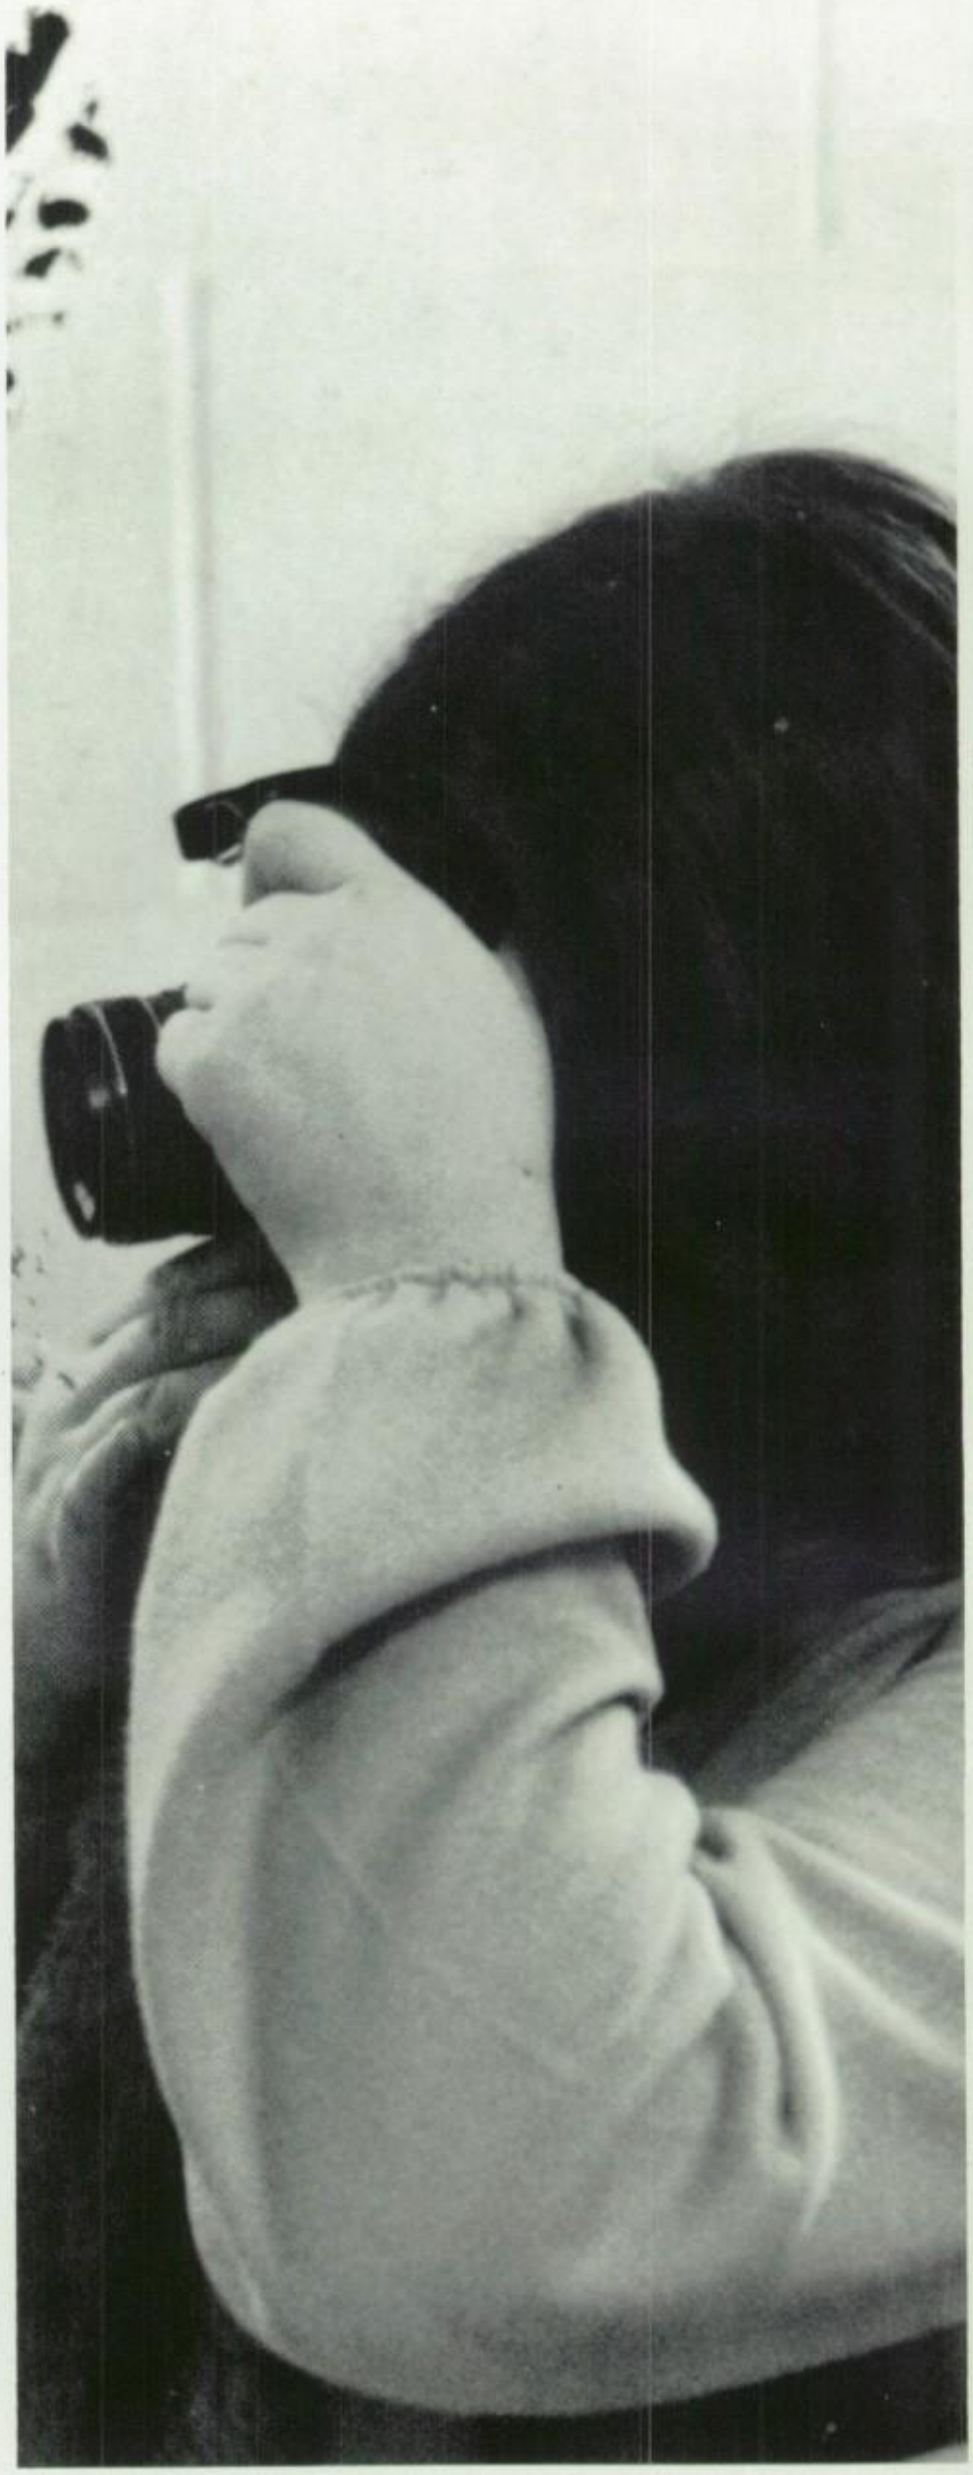
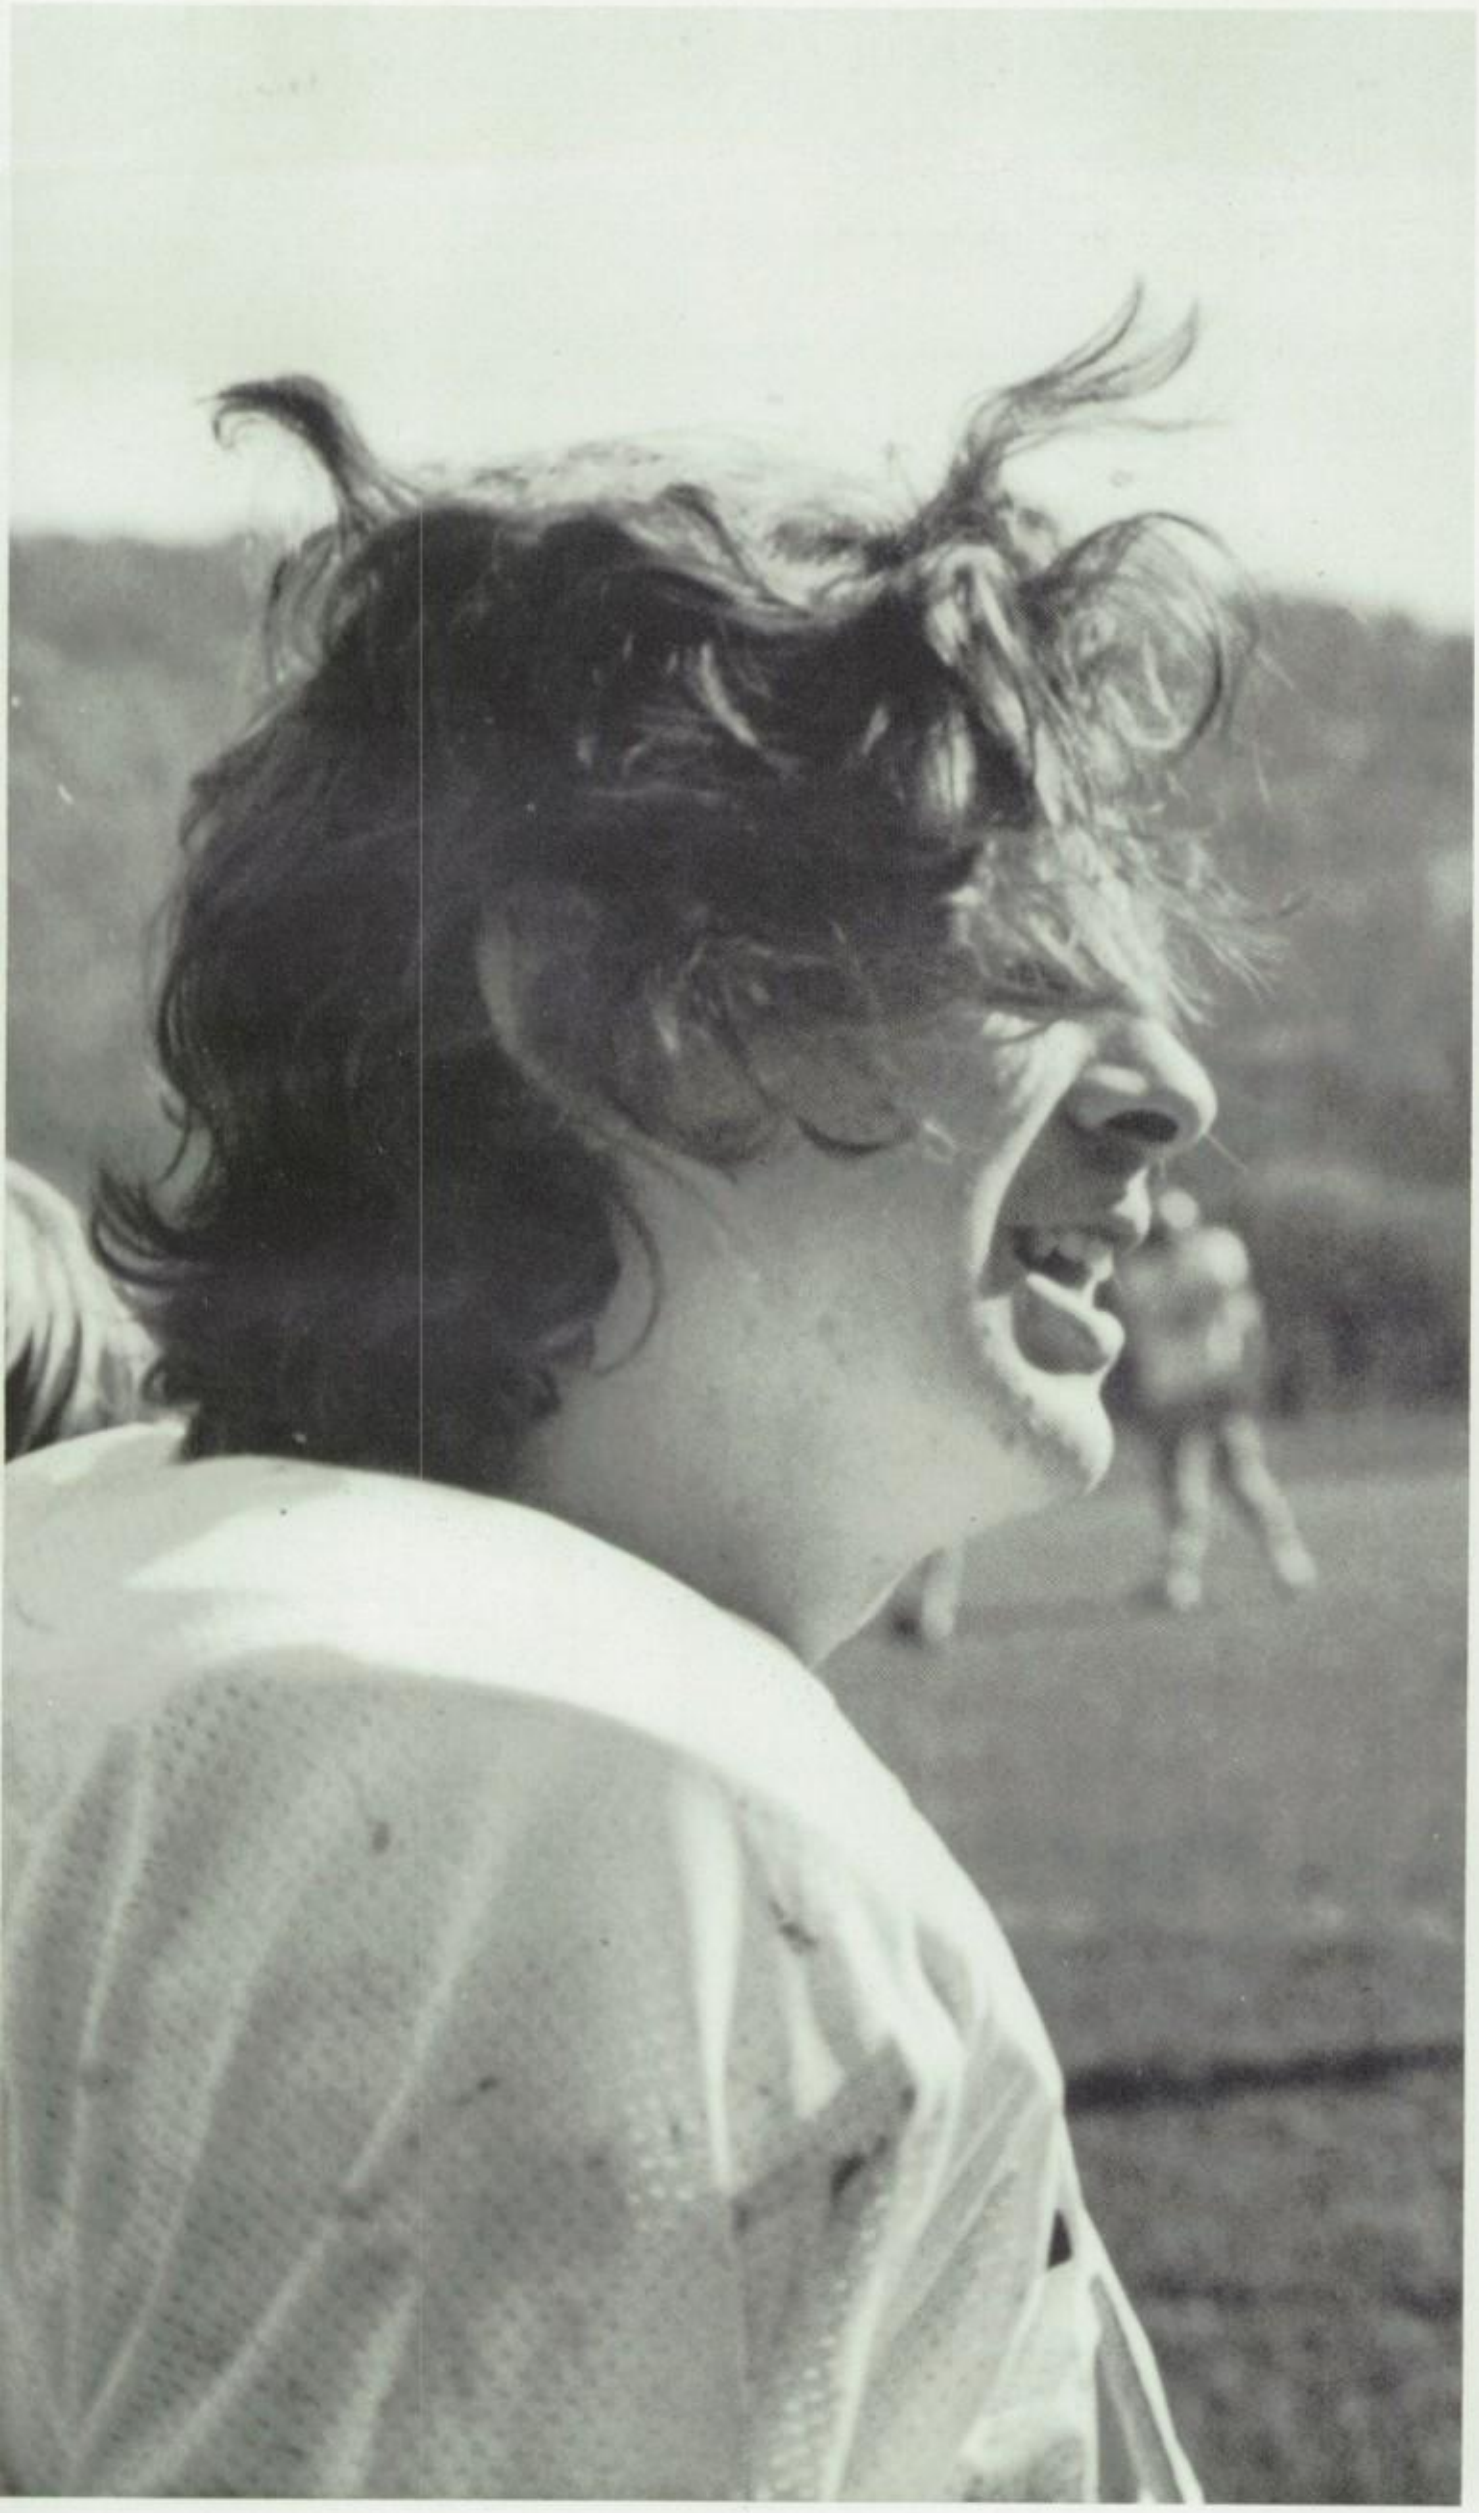
The noble man will only ask of his
fellow-men
what he expects of himself.
He will fault in others only what
he himself
feels free of.

— Dseng Dse —



I have three treasures that I guard and cherish:
the first is love,
the second is contentment,
the third is humility.
Only the loving
are courageous,
Only the contented
are magnanimous,
Only the humble
are capable of command.

— Lao-Tse —



What made us friends in the long ago,
When we first met?
Well I think I know:
The best in me and the best in you,
Hailed each other because they knew
That always and always since life began
Our being friends was a part of God's plan.

— George Webster Douglas —

GRADUATION

I looked to the sea.
Reflections in the waves spark my memory —
Some happy, some sad.
I think of childhood friends
and the dreams we had.
We lived happily forever,
so the story goes.
But somehow we missed out
On the pot of gold —
But we will try best that we can
to carry on.

Dennis DeYoung

When the time comes
for us to go our
separate ways
May we leave each
other with
friendship
Free from tears
for tears need not
be shed
over fond
memories.
"Dawn"

To some, this is the end. —
But actually, it is only the beginning.

Do not fear going forward slowly,
Fear only to stand still.

WITHOUT US THERE IS NOTHING

Without us there is nothing.
No teaching or learning.
No newspaper, yearbook, or activities.
No football, basketball, or sports.
There is no work and no play.
Our school is only what we make it.
And what we do determines today and tomorrow.
Without us there is nothing.
